

CORE CONCEPTS ANESTHESIA REVIEW

DEC 1-3, 2017

Nurse Anesthesia Simulation at USM

In addition to the three-day course, students are supplied with a 600+ page manual, in electronic format, containing all the material covered in the lectures as well as self-study packets covering a review of mathematics and formulas for the anesthesia provider.

An email will be sent to you by Core Concepts Review prior to the course, offering you discounts on a printed manual and review exam packages.

Join us for the 2017 Anesthesia Review at USM

Core Concepts Anesthesia Review is coming to the **Hattiesburg campus**.

Whether you are studying for the national certification exam or beginning preparation for the upcoming CPC tests, you will not want to miss this. An expert filled review in a sequenced and understandable presentation format will be hosted over 3 days.

You will be provided a flash drive containing the “book” so bring your laptop or table with USB capability.

Price includes:

- Coffee, water, snacks
- Lunch
- USB flash drive with review materials
- Discount on computerized practice exams and modules
- 24 CEUs awarded by the AANA
